MEMO: SMALL BUSINESS ASSISTANCE

In an effort to keep our partners up-to-date during this difficult time, we wanted to share the news that all 21 counties in New Jersey have been approved for US Small Business Administration Economic Injury Disaster Loan Program (Disaster # NJ-00057). For more information on the bill, and to see how you can apply for a loan, please check out the U.S. Small Business Administration's **page here**.

Click here for a Fact Sheet on USSBA **ECONOMIC INJURY DISASTER LOANS**.

We also wanted to share some links that have information for businesses where they can find resources in Hudson County. Director Richardson has helpful links on the HCEDC (<https://www.hudsonedc.org/>) website.

Information can also be found on the SBA (<https://www.sba.gov/page/guidance-businesses-employers-plan-respond-coronavirus-disease-2019-covid-19>) website as well. Lastly, NJ EDA just posted updated information on their website (<https://www.njeda.com/about/Public-Information/Coronavirus-Information>). There are many other pieces of legislation which can be viewed on the state **website here**.

We encourage you to continue to update us on your activities. If you have any questions about any of the information in this email, or to contact us, please reach out to us at visithudson@gmail.com
